### IMPORTANT INFORMATION:

- Dormitories 5 and 7 share the same shower / toilet facilities, please make sure that they are used by students of the same sex.
- Single and quad rooms share a toilet / shower and are best suited for teachers. It is however advisable to have an adult in between the dormitories if your group are using them – they can use the shower / toilet in between the dormitory rooms opposite. We do not have the capacity to put additional beds in these rooms.
- Beds will only be made for students in Year 3 and under. We will make beds for all Teachers.
